NHRA driver Doug Herbert was racing his Top Fuel dragster in Phoenix, AZ when he experienced every parent's worst nightmare. His two sons, Jon and James had been killed in a tragic car crash. Herbert, trying to make sense of the tragedy wanted to help prevent other parents, friends, and families from enduring the pain of losing a loved one in an automobile accident. Doug founded the non-profit 501 (c) (3) charity called B.R.A.K.E.S., which stands for "Be Responsible And Keep Everyone Safe."

Our mission is to prevent injuries and save lives by training and educating teenage drivers and their parents about the importance of safe driving.
